## Lyrics

### Introduction

*Hi, this is Bob and I'm here on behalf of The Learning Partnership and their Welcome to Kindergarten Program. Music activities will help children to develop early literacy skills – listening, speaking, reading and writing. I hope you will join in by singing, dancing, and moving to the rhythm of the songs. # Lyrics

It's as easy as 1, 2, 3

Take your fingers  
And touch your nose  
Touch your tummy  
And touch your toes  
You can do it alone or with a friend

Jump up, jump down  
And do it all again

**(Chorus)**

Touch your shoulders  
Touch your eyes  
Touch your hips  
And touch your thighs  
You can do it alone or with a friend

Jump up jump down  
And do it all again

**(Chorus)**

Raise your hands  
Way up high  
Reach reach reach  
To the sky  
You can do it alone or with a friend

Jump up jump down  
And do it all again

**(Chorus)**

Now everybody touch your knees  
Touch your elbows  
Now everybody...FREEZE  
You can do it alone or with a friend

Jump up jump down  
And do it all again

**(Chorus)** repeat 3X faster each time

## The Number March

Let's do the number march  
Marching 1, 2, 3

Let's do the number march  
Come count and march with me

1, 2  
3, 4, 5  
6, 7, 8, 9, 10

That was really, really good  
Let's do the march again  
Let's do the number march  
Marching 1, 2, 3

Let's do the number march  
Come count and march with me

1, 2  
3, 4, 5

That was really, really good  
Let's do the march again

Let's do the number march  
It's really lots of fun

This time when we do it  
Let's count back from 10 to 1

10, 9  
8, 7, 6  
5, 4, 3, 2, 1

Let's do it one more time  
Then our march will be done

### Listen to the Children

La, la, la, la, la, la  
La, la, la, la  
La, la, la, la, la, la

Listen to the children at play  
Listen to the words that they say  
Know that you were once as  
young as they  
Listen to the feelings of your  
friends  
Remembering when  
You were feeling just the same  
as them

(Chorus)

Oh I can see it on your eyes  
And you can see it  
If you want to try

And listen to the music around  
And feel every sound  
Let it lift you up  
And never let you down

Hey listen to the harmony I sing  
Let it fill your heart and ring  
Know all the love that this world  
can bring

(Chorus)

So listen to the children at play  
Listen to the words that they say  
Know that you were  
Know that you were  
Know that you were once as  
young as they
